Respected Friend

I have put up with the intention of forwarding for your Fair, 50 copies of a portrait of Lucretia Mott. It is a mezzotint engraving by Sartain, from a painting in my possession done by Kyle. It is a good likeness. The retail price here will be 50 cts each. I will put them to you at .37 1/2 & you may sell them for what you choose; — that is if you choose to sell them at all. — I shall send them in the Freeman package to 25 Cornhill by Knickerbocker's Line

Yours truly
